### Message from Chairman Scott K. York

Dear Friends:

I want to begin my message this week by expressing the condolences of the entire Board of Supervisors on the passing of Sterling Planning

Commissioner Tim Page. Tim leaves behind his wife and three children -- we keep them and the entire Page family in our prayers.

On page two of this e-newsletter I have outlined the tentative remaining schedule of meetings between the Planning Commission

and the Board on the draft zoning ordinance.

As always, I look forward to hearing from you regarding your thoughts and suggestions.

Scott K. York  
Chairman

### Disability Services Board Survey is Online

The Loudoun County Disability Services Board (DSB) is conducting its biennial survey of service needs for persons with physical and sensory disabilities.

The DSB is an advisory board to the county's Board of Supervisors and the State Disability Services Commission. The purpose of the survey is to identify the service gaps preventing citizens from living an independent life in the county. This allows the DSB to advocate for more services and funding.

Input from people with disabilities is invaluable.

Completing the survey takes less than 15 minutes. This year the survey can be completed online at: [www.loudoun.gov/services/dsb/survey](http://www.loudoun.gov/services/dsb/survey). The survey is also available in paper form or other requested alternative formats by contacting [cmester@loudoun.gov](mailto:cmester@loudoun.gov).

The deadline for submitting the survey is June 30, 2002.

## Congratulations Graduates!

May and June are special times of the year and I would be remiss if I did not congratulate all of our young men and women who have recently graduated from college and those who will soon be graduating from High School.

Regardless of your pursuits, whether the job market, military service, off to college or obtaining an advanced degree, all the best to you and your families on a job well done.
